

# CONFLICTS DURING THE 1920S ESSAY EXAMPLE

*Free Essay: The s, often referred to as the Roaring Twenties, was a time of Cinevert 1 Outline The United States Of America hit an all-time low during the.*

The name suggest a time of wild enjoyment, fun, loud, crazy and a musical age. Americans combated the results of the war with a revitalization of artistic values, heated debates over religious beliefs, and creating new political doctrines. The backlash that was caused by World War 1 in the United States left the people with differing opinions and the tension between citizens was mounting. N was to discourage aggression between countries or to preserve peace Exciting new events happened in sports, entertainment, science, politics, communication and transportation. One major cause of the growing strain between traditional and modern ideologies was the growing gap between socioeconomic classes. People felt that they had a right to prosperity and many had aims of owning a nice house and car. But with women starting to implement their rights, and their new-found freedoms they became essential to everyday life, instead of just the man in the family. America's wealth, population and industry boomed. Seen by many as the 'great experiment' of the 20th century, public opinion on the restriction was split, and prohibition was bound from the outset to be controversial Americans had, prior to the s, considered themselves blessed because of their history, thrift, and hard-working nature. During the s, many different forms of art, music, and literature began. Individuals had more leisure. Since women have been able to get to where they have been going within the movement, success for them has been greater than ever in modern times Another theological dispute was over the way the Gospel was being preached. While each of these events undoubtedly played a role in shaping the pop culture of the twenties, one particular aspect of entertainment was the driving force behind the redefinition of the American culture and lifestyle for decades to come Many people were moving into the city and buying new gadgets that were being invited. During , over , immigrants had come. You may use many sources for data collection; however, make sure that they are reliable and relevant. Lets not even get started on the treatment of women, let alone the black women. Speculators were buying on margin and selling at an artificial price. The twenties was a very unusual time period in American History. The African Americans during this time period had a huge influence on the American society. The very embodiment of these qualities was the institution of the Italian-American Mafia. It was an age of prosperity and change. An opposition of persons or forces. The first important criminal industry of the 's was bootlegging.
